Lakeshore Resort and the Huntington Lake area are the best-kept secret in the Sierra. We have been planning weddings and receptions for almost 30 years. Our team of professionals will help you plan your dreams in a beautiful setting for much less than you may expect.

The opportunities are endless. Go all out as fancy as you would like or keep it simple and let the genuine beauty of our Lodge Hall and the surrounding area speak for itself. Schedule an appointment today for a tour of our facilities and

wedding sites. Download this document and you can see just what you need to make your event timeless and memorable.

The Lakeshore Resort Lodge Hall was built in 1926 and is one of the last remaining wood structures of its kind in California. The Lodge is classic and simply beautiful. It was structurally repaired in 2011/2012, repainted and updated. The entire floor is hard wood oak, perfect for dancing. The stage with lighting allows for a beautiful wedding backdrop or the perfect place for a band or DJ. The sunroom offers a built in oak and brass buffet. Keeping the food at perfect temperature for your guests. Our walk-in granite fireplace keeps you warm and toasty offering timeless beauty and focal point. We can work with whatever you have in mind to create a fabulous event for you and your guests to enjoy and remember.

The Living Room Lobby of the “old” hotel is available for staging photos, getting ready for your wedding and just relaxing before your event. Leave the planning to us... you will get to enjoy your day to the fullest as our staff takes care of all your needs.
